

## CLINICAL PROFILE

## Brianna Bradfield, PT, DPT

### Years of Clinical Experience: 8

**Brianna Bradfield** is the assistant center manager and an accomplished clinician in the outpatient setting who enjoys treating the full spectrum of orthopedic and sports related injuries. Brianna specializes in the rehabilitation of a wide range of musculoskeletal conditions in all ages including sports and overuse injuries where she is trained to perform return to play testing for ACL reconstruction. In addition, she has extensive experience treating postoperative cases including fractures of the shoulder, hip and knee as well as complex surgeries such as foot reconstruction and spinal fusions. At the forefront of her practice, Brianna is passionate about getting each person back to their pre-injury level of function and is highly-skilled at helping patients achieve their goals.

### Education and Certifications

- **Doctor of Physical Therapy**  
*Seton Hall University - 2013*
- **Bachelor of Science – Health Science**  
*University of Cincinnati - 2008*
- **Continuing Education – ACL Injury in the Athlete – Prevention, Surgical Management, Rehabilitation and Return to Play; Philadelphia Sports Symposium – Extremities; Principles of Kinesiology Taping, Cupping and Soft Tissue Mobilization**

**Brianna's Vision...**As a physical therapist, I strive to utilize a multi-factorial approach focusing on identifying underlying movement impairments, developing individualized treatment programs and empowering my patients to achieve successful outcomes.
