

CLINICAL PROFILE

Kasey E. Schiavoni, PT, DPT

Years of Clinical Experience: 3

Kasey Schaivoni is a dedicated professional with a passion for excellence in patient care. She provides individually tailored treatment plans with attention to manual therapy and the ultimate goal of improving biomechanics, decreasing pain and improving movement. Kasey has notable success in the treatment of post-operative ACL repairs, total knee arthroplasty, rotator cuff repair and total shoulder replacement. In addition, she is likewise skilled in the rehabilitation of plantar fasciitis, Achilles tendonitis/repair, ankle sprain, PFPS, and ITB syndrome. As the assistant center manager, Kasey oversees the day-to-day operations of her clinic and mentors her staff in clinical and service excellence. Kasey prides herself in working closely with all physicians to provide exceptional continuum of care for every patient.
