

CLINICAL PROFILE

Lauren A. Weber, PT, DPT

Years of Clinical Experience: 2

Lauren Weber is a highly motivated clinician who is passionate about giving all her patients optimal care. To that end Lauren's focus is understanding each patient as an individual, learning about their specific goals, educating them and keeping them active participants in their rehabilitation program. Lauren's exceptional patient care includes comprehensive patient education, compassion and encouragement as she assists each patient to reach their goals successfully. For Lauren, it is all about the quality of life and helping to reveal the true capabilities of each person as she assists them to overcome discouragement and accomplish great things in their rehabilitation journey.

Lauren specializes in the rehabilitation of knee/hip replacement, low back pain, ankle fractures, ACL reconstruction, Iliotibial band syndrome, cervical DDD and lumbar fusion.
