

CLINICAL PROFILE

Dennis Solomon, PT

Years of Clinical Experience: 27+

Dennis Solomon has excelled in the outpatient orthopedic environment where he has extensive experience treating a wide array of diagnosis both pre and post-surgical and specializes in the rehabilitation of shoulders and knees. He is proficient in many physical therapy techniques including therapeutic exercise, manual therapy, Kinesiotherapy taping and instrument assisted soft tissue mobilization to allow his patients to return to prior functional ability without deficits. Dennis treats every patient with compassion and encouragement as he guides them through the rehabilitative process in a timely and productive manner.

Education and Certifications

- **Bachelor of Science – Physical Therapy**
Emilio Aguinaldo University - 1995
- **Certified in Acupressure, Shiatsu, Reflexology and Myofascial Release**
- **Continuing Education** – Instrument Assisted Soft Tissue Mobilization; McKenzie Lower Quarter

Dennis's Vision...My personal vision is to provide the highest quality of care for my patient in a professional and caring manner.
