

CLINICAL PROFILE

Chioma Paul-Iloeje, PT, DPT

Chioma Paul-Iloeje is a dedicated professional who believes that individualism is the key to successful care, and that treatment should be focused on activities that are meaningful to her patients. To that end, Chioma establishes open communication and a team-based approach. She creates treatment plans that are realistic to her patient's needs and helps them to achieve real progress, promoting a sense of accomplishments. Chioma has notable success in treating a variety of orthopedic conditions and injuries both pre- and post-surgical. At the forefront of her practice, she seeks to empower each of her patients to take an active role in the success of their rehabilitation journey.
