

CLINICAL PROFILE

Kristy Hansen, PT, DPT

Kristy Hansen is a dedicated professional with a passion for excellence in patient care. She enjoys treating a wide range of orthopedic and sports injuries, pre- and post-operative rehabilitation, pediatric injuries and stroke rehabilitation. At the forefront of her practice, Kristy is focused on prioritizing patient education and self-efficacy to empower her patients to achieve their realistic rehabilitation goals and prevent future re-injury. On a daily basis, Kristy is committed to providing a high-level of patient care as she utilizes her knowledge and clinical skills to create an outstanding rehabilitative experience for all.

Education and Certifications

- **Doctor of Physical Therapy**
University of the Sciences - 2022
- **Bachelor of Science – Natural Science**
Keystone College - 2019
- **Certified Ageless Grace Instructor - 2022**
- **Continuing Education** – Return to Sport – Upper and Lower Extremity; Applications & Outcomes

Kristy's Vision... My goal as a physical therapist is to help patients heal and return to their prior level of function, as well as to provide them with the tools that will continue to help them improve their functional abilities even after physical therapy is completed.
