

**ROTHMAN**  
ORTHOPAEDICS

## **HAND THERAPIST**

**Christopher Schoell, OT, OTD, CHT**

### **VISION**

“I take great pleasure in working with patients and getting them back to their meaningful activities. Additionally, I enjoy helping people to understand their conditions and the healing process and working together to help them achieve their goals.”

### **EDUCATION**

- Doctor of Occupational Therapy, Rocky Mountain University of Health Professions
- Bachelor of Science, Occupational Therapy, Temple University

### **POPULATIONS TREATED**

Chris specializes in treating all hand and upper extremity conditions including fractures, tendon and nerve injuries. He has advanced training in manual therapy and is an expert in the fabrication of custom orthoses using a variety of materials.

### **ACCOMPLISHMENTS**

- Certified Hand Therapist
- Certified Orthopedic Manual Therapist – Upper Extremity
- PWPE Certified Evaluator
- ER FCE System Certified
- Presenter at American Society of Hand Therapists 42nd and 43rd Annual Conferences
