

**ROTHMAN**  
ORTHOPAEDICS

## **HAND THERAPIST**

**Kara Gallagher, MS, OTR/L, CHT**

### **VISION**

“I aim to help patients return to what the need and love to do in life after an upper extremity injury. I collaborate with the patient, physician and all team members to provide high quality, efficient and compassionate care.”

### **EDUCATION**

- BA, Lehigh University (Biology and Science Writing/Journalism)
- MS, D'Youville College (Occupational Therapy)
- Fellowship, Hand Therapy - Philadelphia Hand to Shoulder Center

### **POPULATIONS TREATED**

Kara has 20 years of experience providing Hand Therapy for adults and children with orthopedic and neurological conditions of the elbow/wrist/hand. She specializes in post-operative orthosis fabrication and rehabilitation following fractures and soft tissue injuries in the elbow, wrist and hand.

### **ACCOMPLISHMENTS**

- Certified Hand Therapist Certification
- Research - Hospital for Special Surgery, Pediatric Musculoskeletal Research Fellow
- Lectures - ASHT, Philadelphia Annual Hand Therapy Symposium, AACPDPM
