HAND THERAPIST

Lindsay Wagner, MS, OTR/L, CHT

VISION

As a Certified Hand Therapist Lindsay's vision is to provide personalized, innovative and evidence-based hand therapy services that promote healing, strength, and mobility.

EDUCATION

- Bachelors of Science, Interdisciplinary Health Services and Occupational Therapy, Western Michigan University
- Master of Science, Occupational Therapy, Western Michigan University

POPULATIONS TREATED

Lindsay specializes in treating patients with hand to shoulder injuries including fractures, dislocations, tendon or nerve injuries, sprains, tendinitis and more. Lindsay has a strong interest in treating the athletic population including the weekend warrior to semi-professional athlete. Lindsay treats patients of all ages and injuries and utilize a team approach for optimal healing. She also enjoys fabrication of custom orthoses including thermoplast and delta casting.
