

**ROTHMAN**  
ORTHOPAEDICS

## **HAND THERAPIST**

**Maiya Halasa, OTR/L**

### **POPULATIONS TREATED**

Maiya enjoys treating a wide variety of patients with upper extremity conditions. She has a particular fondness for working with individuals recovering from nerve-related injuries. She also has experience in custom orthotic fabrication and is dedicated to helping patients regain function and return to the activities that matter most to them.

### **VISION**

“As an occupational therapist, I am passionate about guiding patients through their recovery journey with compassion, clinical expertise, and individualized care. I strive to empower every patient to regain function and confidence through evidence-based treatment and collaboration.”

### **EDUCATION**

- Master of Science in Occupational Therapy, Salus University
