

ROTHMAN
ORTHOPAEDICS

HAND THERAPIST

Megan Gensler, OTR/L, CHT

VISION

Megan strives to ensure all patients with hand injuries have the best functional outcomes while recovering in a safe, fun and open environment.

Her areas of interest include chronic pain and CRPS. She also enjoys creative orthosis fabrication and design.

EDUCATION

- Master of Science in Occupational Therapy, University of the Sciences in Philadelphia

POPULATIONS TREATED

Megan enjoys treating a wide variety of patients with upper extremity conditions. She has a particular fondness for working with individuals recovering from sports-related injuries. She is an avid participant in surfing, rock climbing, biking and being outside after work.

CERTIFICATION

Certified Hand Therapist
