HAND THERAPIST

Stephanie Pusateri, CHT

POPULATIONS TREATED

I enjoy working with patients of all ages. Special interest in working with patients recovering from fractures of the upper extremities. Also special interest in post op surgical patients recovering from all areas of surgery from elbow to the fingers.

VISION

“My goal is to work with patients of all ages to help them improve their function and help them return to their prior lifestyle.”

EDUCATION

- Masters of Occupational Therapy, Chatham College, Pittsburgh PA

ACCOMPLISHMENTS

- Certified Hand Therapist
