

CLINICAL PROFILE

Amy C. Glassberg, P.T.

Years of Clinical Experience: 39

Amy Glassberg is a clinical veteran with a career spanning more than 39 years. In that time she has touched countless lives with focused, compassionate care and a skillful hand guiding her patients to a successful recovery. Amy is passionate about and proficient in all aspects of outpatient orthopedic rehabilitation where she evaluates, designs and implements treatment plans which progress patients decisively toward their functional goals. At the forefront of her practice, Amy is focused on helping each of her patients understand the reasons why they became injured and how their actions can either correct or perpetuate the issues causing their dysfunction. Amy is an educator, mentor and communicator who specializes in managing the plan of care with all entities, and is highly-skilled at helping patients achieve their goals.

Education and Certifications

- **Bachelor of Science – Physical Therapy**
SUNY Buffalo - 1982
- **Continuing Education –** Manual Therapy & Treatment of Cervical and Upper Thoracic Disorders; Manual Therapy of the Upper Quarter; Evaluation and Treatment of Scapular Disorder; Instrument Assisted Soft Tissue Mobilization

Amy's Vision...As a physical therapist I am an active listener who is kind, understanding and fully equipped with knowledge, assessment skills and treatment techniques achieved from decades of patient care. I am a life-long learner and continue my educational goals to constantly improve patient outcomes.
