

CLINICAL PROFILE

Robert “Bob” Molluro, PT

Years of Clinical Experience: 30

Robert Molluro is a highly motivated, dynamic individual with a record of success in managing outpatient physical therapy facilities. He is part of a third generation physical therapist family who has been providing care to the South Philadelphia community for the past ninety years. A dedicated professional who is committed to providing superior clinical care in a supportive and encouraging environment, Bob is an expert in the evaluation and rehabilitation of a plethora of diagnoses from post-operative, to acute and chronic pathologies. At the forefront of his practice, Bob stays current with the newest research and implements techniques accordingly to provide all his patients with optimal care with outstanding outcomes. Bob believes that educating patients on how to manage their conditions has been a key to his success.

Education and Certifications

- **Masters in Physical Therapy**
University of Delaware - 1991
- **Bachelor of Science**
University of Delaware - 1989
- **Continuing Education** – Advanced Biomechanics in Running; Advances in Shoulder and Knee Rehabilitation; Management of Adolescent Injuries; Manual Treatment of the Post-Operative Patient

Bob’s Vision...My vision has been to build a team oriented approach with physicians and patients to create successful rehabilitation outcomes. Communication with referral sources, coaches, trainers and family members is a key component to our profession.
