

CLINICAL PROFILE

Casey Blacker, PT, DPT

Years of Clinical Experience: 3

Casey Becker is a valued member of the clinical team who specializes in the comprehensive evaluation and treatment of joint replacements, rotator cuff repairs, low back and neck pain and a wide array of arthroscopic surgeries. As a highly patient-focused professional, Casey's goal is to understand each patient as an individual, to appreciate their specific goals, to educate them, and keep them active participants in their rehabilitation program. Her exceptional care includes patient-specific education, compassion and encouragement as she assists each person to reach their goals successfully. Casey promotes long-term health habits and injury prevention measures as well as creating innovative programs for each patient that challenge, strengthen and restore.

Education and Certifications

- **Doctor of Physical Therapy**
Thomas Jefferson University - 2018
- **Bachelor of Health Sciences**
West Chester University - 2015
- **Continuing Education** – Original Strength Training

Casey's Vision...As a physical therapist my vision is to optimize, encourage and facilitate overall good health in each of my patients. I encourage living a healthy lifestyle and I provide education and guidance to maintain health and physical well-being across the various stages of life.
