

## CLINICAL PROFILE

## Devin Dikengil, PT, DPT

**Devin Dikengil** is a valued member of the clinical team whose goal is to provide a compassionate and informative environment for all patients to reach their rehabilitation goals. Devin has notable success in the treatment of a variety of orthopedic issues both pre- and post-surgical including total knee and hip replacement, reverse total shoulder replacement, meniscus repair and osteoarthritis conditions. At the forefront of his practice, Devin is focused on building strong connections with every patient, collaborating closely with them to create effective, individualized treatment plans. His goal at the completion of therapy is to ensure that every person takes with them life-long skills about injury prevention and self-care.

**Devin's Vision...**As a physical therapist, my vision is to develop personalized, meaningful goals that empower my patients beyond their treatment. I aim to make physical therapy a lasting learning experience for every patient, to carry into their daily lives.
