

CLINICAL PROFILE

Gina Guharoy-Raval, MPT

Years of Clinical Experience: 14

Gina Raval is an accomplished clinician in the outpatient setting who enjoys the challenges of treating a diverse patient population. From the prime athlete striving to get back in the game to the senior citizen looking for vitality and mobility, her expertise is evident. As an integral member of the Rothman team she provides clinical excellence and compassionate care while creating a healing, nurturing environment. Gina places a strong emphasis on continuing education and has attended many educational courses to further her knowledge in the treatment of orthopedic conditions. Gina has notable success in the rehabilitation of general orthopedics, post-surgical conditions and sports related injuries. She is a specialist in assessing athletes implementing Rothman physician designed protocol for return to sports.
