

CLINICAL PROFILE

Jared Barlow, PT, DPT

Jared Barlow is a valued member of the clinical team who provides patient-centered care to enhance the quality of life and overall health of his patients. With an extensive background in sports participation, Jared provides a comprehensive approach to rehabilitation including manual therapy, biomechanical principals and movement quality to enhance patient independence. Jared also provides valuable patient education to ensure everyone involved in the plan of care is well-informed throughout the process. On a daily basis Jared creates a fun, positive environment where patients enjoy receiving therapy as they improve functionality at the same time.

Education and Certifications

- **Doctor of Physical Therapy**
Marshall University - 2022
- **Bachelor of Science**
Shenandoah University - 2019
- **Continuing Education** – Certified, McKenzie A – Low Back Pain Treatment Techniques

Jared's Vision... I am dedicated to building a great patient-therapist relationship that will provide the most comprehensive care possible. I promote long-term health habits and injury prevention measures as well as creating innovative programs for each patient that challenge, strengthen, and restore.
