

CLINICAL PROFILE

Lisa Sowell, P.T., DPT

Years of Clinical Experience: 11

Lisa Sowell is a Doctor of Physical Therapy and a valued member of the clinical team who treats a broad spectrum of orthopedic injuries and post-surgical interventions. Her clinical affiliations were centered on the treatment of a general orthopedic population including post-operative rehabilitation, CVA, and developmentally disabled children. She is likewise skilled in the treatment of sports injuries, and continues to be an exceptional clinical instructor to a number of students. On a daily basis, Lisa's hallmark is compassionate and comprehensive patient care implementing evidence-based protocol to assure effective and timely treatment plans for each of her patients.
