

CLINICAL PROFILE

Sean Deacon, MPT, Center Manager

Sean Deacon is an accomplished member of the clinical team with more than 20 years of rehabilitation expertise to his credit. While Sean treats a myriad of orthopedic injuries and conditions, he specializes in the rehabilitation of orthopedic surgeries including but not limited to ACL, rotator cuff repair, total joint arthroplasty of the knee/shoulder/ankle/hip, and neurological conditions of the neck and low back. On a daily basis, Sean is focused on helping each of his patients understand the reasons why they became injured and how their actions can either correct or perpetuate the issues causing their dysfunction. He is passionate about getting each person back to their pre-injury level of function and is highly-skilled at helping patients achieve their goals.

Education and Certifications

- **Masters of Physical Therapy**
UMDNJ/Rutgers University - 2002
- **Bachelor of Science – Kinesiology/Athletic Training**
San Diego State University - 1999
- **Certified – Instrument Assisted Soft Tissue Mobilization**
- **Continuing Education** – Advanced Exercise Prescription and Advanced Knee, Shoulder and Ankle Rehabilitation; Management of Lumbopelvic Spine Disorders

Sean's Vision... I individualize each patient's program based on their wants and needs. I try to meet and exceed those expectations using evidence-based therapeutic exercise prescription resulting in positive functional outcomes.
